Analysis by the Legislative Reference Bureau
COMMERCE AND ECONOMIC DEVELOPMENT

ECONOMIC DEVELOPMENT

Under current law, the Department of Commerce (Commerce) may award grants under the Community-Based Economic Development Program to community-based organizations and political subdivisions. Recipients of a grant under this program must undertake certain eligible activities, which include providing assistance to businesses and entrepreneurs that will, in turn, provide jobs in the community.

Under current law, at the request of the Rural Economic Development Board in Commerce, Commerce may award grants or loans under the Rural Economic Development Program to a business located in a rural municipality if the business is starting or expanding its operations and agrees to use the grant or loan to undertake certain eligible activities.

Under current law, the Minority Business Development Board in Commerce may award a grant or loan under the Minority Business Grant and Loan Program to a minority group member, a minority business, certain nonprofit organizations, or private financial institutions. The recipient of a grant or loan under the Minority Business Grant and Loan Program must agree to undertake certain eligible activities, which includes education and training projects or the start-up, expansion, or acquisition of a business.

Under current law, the Development Finance Board in Commerce awards grants under the Wisconsin Development Fund program.

This bill eliminates the Community-Based Economic Development Program, the Rural Economic Development Program and Rural Economic Development Board, the Minority Business Grant and Loan Program and Minority Business Development Board, and the Development Finance Board. The bill creates the Economic Policy Board. The responsibilities of the Development Finance Board will be assumed by the Economic Policy Board (board), which will have the following members:

1. The secretary of Commerce or his or her designee.
2. The secretary of DWD or his or her designee.
3. The director of the Technical College System Board or his or her designee.
4. Six other members nominated by the governor, and with the advice and consent of the senate, appointed, for two-year terms. These members shall represent the scientific, technical, labor, small business, minority business, rural, and financial communities of this state.
5. One member appointed by the speaker of the assembly.
6. One member appointed by the senate majority leader.

The bill also creates the forward innovation fund (FIF). Under the FIF, Commerce may, in consultation with the board, award grants or make loans to the following eligible recipients to undertake certain eligible activities:

1. Businesses.
2. Municipalities.
3. Community-based organizations.
4. Cooperative associations.
5. Local development corporations.
6. Nonprofit organizations working on economic or community development.

Eligible activities under the FIF include:

1. The start-up, expansion, or retention of minority businesses.
2. The start-up, expansion, or retention of businesses in economically distressed areas.
3. Innovative proposals to strengthen inner cities.
4. Innovative proposals to strengthen rural communities.
5. Innovative programs to strengthen clusters.
6. Innovative proposals to strengthen entrepreneurship.

Recipients of a grant or loan from the FIF must provide a 25 percent match. Commerce must promulgate rules to implement and administer the FIF.

Under current law, Commerce may award grants to the Wisconsin Business Initiative Corporation (WBIC) from the Community-Based Economic Development appropriation account. This bill creates an appropriation account for grants to the WBIC.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

Under current law, the Minority Business Development Board in Commerce may award a grant or loan under the Minority Business Grant and Loan Program to a minority group member, a minority business, certain nonprofit organizations, or private financial institutions. The recipient of a grant or loan under the Minority Business Grant and Loan Program must agree to undertake certain eligible activities, which includes education and training projects or the start-up, expansion, or acquisition of a business.

2. The secretary of DWD or his or her designee.
3. The director of the Technical College System or his or her designee.

5. One member appointed by the speaker of the assembly.
6. One member appointed by the senate majority leader.

The bill also creates the forward innovation fund (FIF). Under the FIF, Commerce may, in consultation with the board, award grants or make loans to the following eligible recipients to undertake certain eligible activities:

1. Businesses.
2. Municipalities.
3. Community-based organizations.
4. Cooperative associations.

Recipients of a grant or loan from the FIF must provide a 25 percent match. Commerce must promulgate rules to implement and administer the FIF.

Under current law, Commerce may award grants to the Wisconsin Business Initiative Corporation (WBIC) from the Community-Based Economic Development appropriation account. This bill creates an appropriation account for grants to the WBIC.
